## WHAT IS JACK IN THE GREEN?

May 1 is the feast day of Beltane, which traditionally marks the passing of winter and the start of summer. On this day the Romans feasted to the goddess Flora, cut down trees and decorated them. From this the maypole is said to have been evolved.

The Green Man or Jack in the Green is believed to be another portrayal of fertility and rebirth. Normally he appears as a leaf-bedecked human figure. The Hastings Jack in the Green, however, appears in the form of a wicker framework approximately ten feet high, covered in fresh greenery and surmounted with a crown of spring flowers. Traditionally, the Jack was paraded around the village and fields bringing good fortune and well-being to all he encountered.

In Hastings over the 1994 May Bank Holiday, you may bring good fortune upon yourself, for Mad Jack's Morris celebrate May Day (1 May) by dancing the sun up at 5.15am and then, ably supported by morris, clog, sword dancers and giants, awake the spirit of summer. The celebrations reach a climax with the release of the Hastings Jack in the Green from the Fishermens' Museum, Rock-a-Nore at 10.15am on May 2. The Jack and friends process around the Old and New Towns before climbing up to Hastings Castle. Here, after a feast, he is ceremonially slain, thereby returning his life force to the earth. Everyone is welcome to take a piece of greenery from Jack for good luck.

Prior to the procession, dancing will occur all over Hastings from Saturday 29 April onwards. There will be massed dancing on Winkle Island from midday till 2pm on Saturday and in Hastings Town Centre at a similar time on Sunday. The Hastings Traditional Jack in the Green is an exciting and colourful spectacle, so why not come and be rejuvenated?

For those who wish to make a full weekend of it and not to worry about drinking and driving, accommodation will be available at the Springhead centre on a self-catering basis - cost £4.00 per night. Limited camping also available. If you stay for the weekend, on Friday you are invited to join informally in the "Filly-Loo" starting at 8 o'clock at Ashmore dancing around the village pond, with a music and singing session in the Crown, Fontmell Magna.
